 12. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it, if the auctioneer or seller shall so deem fit.
 13. Selling positions are to be drawn by sale management and sold in catalog order.
 14. **THE ACCURACY OF ALL INFORMATION OF THE CATALOG PAGE(S) IS THE SOLE RESPONSIBILITY OF THE CONSIGNOR.** Consignor shall have the affirmative duty to examine the catalog page(s), on which horses consigned by him appear, prior to sale and report any inaccuracies to Hermanson-Kist Horse Sales, so that it may make an appropriate announcement at time of sale.
 15. The Hermanson-Kist Horse Sales will mail all registration papers approximately 3 weeks after sale date, after all checks have cleared the bank.
- If new owner wants bred mares to be PG checked it must be done at new owner's expense before leaving the yard.

- Any horse not available to sell in its turn will be sold at the end of the sale on the day it is listed to sell. If the consignor is handling his own horse, he will be responsible for having it ready to sell in the position delegated to him. ATTENTION

If at all possible, could sellers and buyers leave their horse trailers parked at their motel until ready to leave. Parking space is always so congested for the fall sale.

Your help with this will be so appreciated.

Thank you!

PLEASE NOTE:

The AQHA will be here on **Wednesday, September 13, 2023 at 9:00 am** and can transfer the papers to you while you are here. They will have printers here to print the new Registration paper to you. You will need to pay with **CASH** or have a **Cashiers Check** to have this done. If you have a Cashiers Check and you don't use all of it, we will issue you a refund check before you leave the sale.

Please **CALL BEFORE** you come to the sale to find out if the AQHA will be here for sure. Also, if you want your papers for your purchases, you will need cash, a cashiers check, or a current letter of credit from you bank saying they will honor any purchase you make. If you decide to just pay with a check, all registration papers will be mailed in approximately 3 weeks from sale date.

Any questions, call Diane at 701-663-9573.

AQHA
AMERICAN QUARTER
HORSE ASSOCIATION

ADVICE TO EVERYONE!!

Watch where you park at the sale.

Please don't park your vehicle under someone else's horse trailer, and don't park 3 deep in a row.

If you bring a horse trailer, please park Your Truck under Your Trailer, because when it's time for you to leave and someone else's vehicle is parked under your trailer, we will not be paging anyone to move vehicles. A tow truck will be called to move what has to be moved.

Sorry for any inconvenience, but we don't have the time to deal with any of this while the sale is going on. Hopefully you all will understand this.

Thank You - Kist Management

Foundation bloodlines run throughout this filly's parentage. Her lineage is stacked with proven ranch and roping horses as well as reining cowhorse and western pleasure futurity champions in Canada. This colt has presence! Baby doll like head, nice hip and cadence when he moves. Not to mention he is solid black with out a lick of white on him. This colt caught my eye the minute he was born. Foundation bloodlines run on top and bottom of his papers. He should mature to 14.2-15HH and would excel as a calf roping or breakaway roping prospect. As a herd sire, he would add color, halter horse looks and hardiness into your offspring. Straight, clean legs, big hip, pretty head and color. Need I say more!

His sire Bill French is a CBHI nominated stallion which makes this colt eligible to compete at the 2028 CBHA in Ponoka, Alberta, Canada for a shot at the purse of well over \$200,000 CAD! He is cowbred on the bottom with size on his side to mature over 15HH. This colt will have speed, confidence and terrific trainability. The perfect combination in your next all-around champion!

Charlie loads, backs out of a trailer, and trailers very well. Trims and shoes great! Is up to date on shots and wormer. Has been ridden in the Badlands and Black Hills, mostly used for pleasure. He has not been ridden in a year, as my daughter has graduated from college and has a different life. Charlie has been diagnosed with navicular in his front left leg in 2017. We have shod him for this when he was ridden and this has helped quite a bit. He goes all day, we have not had an issue.

Tacoma is put together like one should be and comes from the Froelich Quarter Horses Ranch where he was started. We packed elk out of the badlands, drug calves to the branding fire and used him during calving. For more pictures or information go to www.swensonmartinhorses.com or call 701-891-1771.

We bought this colt from the Pitzer Ranch as a weanling. He has grown into a 16 hand, good minded and athletic gelding. I started him as a 2 year old and was the easiest colt to start. I've thrown a rope off him and he will ride around!

Poco is the real deal and full package. Quiet and calm enough for children yet quick enough to work a cow for adults. He has AQHA points and has been shown numerous times. A beautiful dark blue roan gelding who was shown in trail, reining and working cow horse, poles and barrels. He has a gorgeous little head, kind eye and an adorable personality. He is as sweet and kind as they come. Absolutely no buck, no bad behavior, or bad habits. He won the Nile show in Billings, Montana October 2022 competing in six different events. He has a small scar on his right hind leg and right front shoulder but sells sound. Poco has never had any health issues and is UTD on vaccinations and deworming. He had his teeth floated during the summer of 2022. He is quiet in the box stall and there is little to nothing that bothers this common sense gelding. Whether Poco is your first or last horse you will absolutely love this guy. Is currently being ridden by my granddaughter and is used for first time riders, 4-H, horse shows, State Fair and Playdays. Call 701-220-9290. Email: debrabrehm@yahoo.com for more information. Video on youtube is forthcoming.

He has a lot of feel even when being lunged in the round pen. He can really roll back over himself and naturally picks up his leads. Slick stands 15.1 hands and weighs in at 1,250 lbs. He is the complete package for a breeding stallion. Slick has lots of foot, bone, pedigree, color, and nice straight legs. Slick was started as a reining cowhorse and is very broke to ride. He is a gentleman and easy to handle. He is handled daily and you don't even know he's in the barn. He has a very thick build and sharp eye appeal. With a black stallion in your breeding program like him you get the full package color, shape, pedigree and a great mind. Stout, sorrel gelding with a great work ethic and solid stature. "Fedex" is the product of names like Peptosboonsmal and High Brow Hickory. He's bred the best and broke the best. We've been heeling steers on him and acts like he's going to be a fancy heel horse. He also will ride outside good. He will cross all types of water, large fallen logs and navigate all terrain. He has seen many types of landscape and has miles of trail experience, it's hard to find one as handy as he is. Call Justin at 574-350-4044 with any questions about Fedex.

It takes a dog til he is 1, a horse til he is 5 and a man till he's 30 to develop some sense, Danny has hit that age. This winter he penned cattle at the sale barn in Ft. Pierre, SD, calved cows on the Rue Ranch this spring and was ridden by a 13 year old this summer. Put him away for a month, climb back on and he'll ride the same way. He had a tough start on life and suffered some nicks hence the name Lt. Dan but the scars are purely cosmetic and are proof he's been there, done that.

"CD" is a really cute, 14.2 hand mare that is sweet as pie. Really broke and gentle and has 3 years reined cowhorse training. She has a ton of style riding around, very low headed in her turn arounds, lopes around really cute and can drag her butt. She's great out on the trail and doesn't mind traffic, 4 wheelers or dogs. "CD" has a lot of expression on a cow and loves to cut one. She's quiet enough to make a youth horse, but handy enough for mom and dad to show off on. If you have any questions about this great mare, call Justin 574-350-4044.

Here is a fancy gelding that we've been using around the ranch and he's really broke to ride. We've taken him to a couple of brandings and used him a lot out to check cattle and ride fences. He saddles up good in the morning and is always a pleasure to ride. If you're looking to make a rope horse or just a really nice riding horse, he will fit you. We've also taken him out on some week long camping trips, he ties to the picket line well and will go anywhere you point him. If you have questions, call Justin at 574-350-4044.

'Tanya' was broke to ride as a 2-yr-old and was ridden until she was 4. With her great conformation, we decided to make her a broodmare. She has produced many great foals. She is very fertile and always takes on the first try. She has been live covered and artificially inseminated. Selling breeding sound.

Here is an absolutely gorgeous gelding that has all the look you could want on one. We've used him for just about everything on the ranch and he's a pleasure to have around. He's got a good walk outside, one hand broke and doesn't get fresh. We have been roping the Hot Heels on him and have roped a few out of the box.. He has a good soft lope to him and is gentle to be around on the ground. Nice gelding that will stay broke when you get him home. Contact Justin with any questions about him at 574-350-4044.

Mike is a big, stout made gelding that stands 15.3 hands with lots of bone. Raised on our ranch and started in our program as a 2 yr old. He has been calved on extensively the last 2 springs. Doctored calves, sorted pairs & will watch a cow. Mike is a gentleman in the branding pen. He has a willingness to please and enjoy his job. He is a very nice ranch horse & is in the arena tracking the sled. He should make a good head horse. Very broke and riding in your hand. Mike is unique colored and is one of them hard to find young geldings. Easy to catch, great ground manners & nice to be around. Don't miss out on this opportunity to own an outstanding gelding. She saddles up good and goes anywhere you point her. If you're looking to go down trails or do a day's job, she will fit the bill. We also think when you are done using her, she's going to make some fancy babies. Call Justin at 574-350-4044 if you have any questions about her.

Shadow is a little over two years of age and stands at 15 hands. She is very unique colored buckskin that everyone would want in their herd. She is easy to catch and is normally the first one to you in the pasture. She also has more than 30 rides on her and handles great under the saddle. Rather you would want an addition to the herd or young filly to start riding, would be your girl.

ATTENTION

If at all possible, could sellers and buyers leave their horse trailers parked at their motel until ready to leave. Parking space is always so congested for the fall sale.

Your help with this will be so appreciated.

Thank you!

ADVICE TO EVERYONE!!

Watch where you park at the sale.

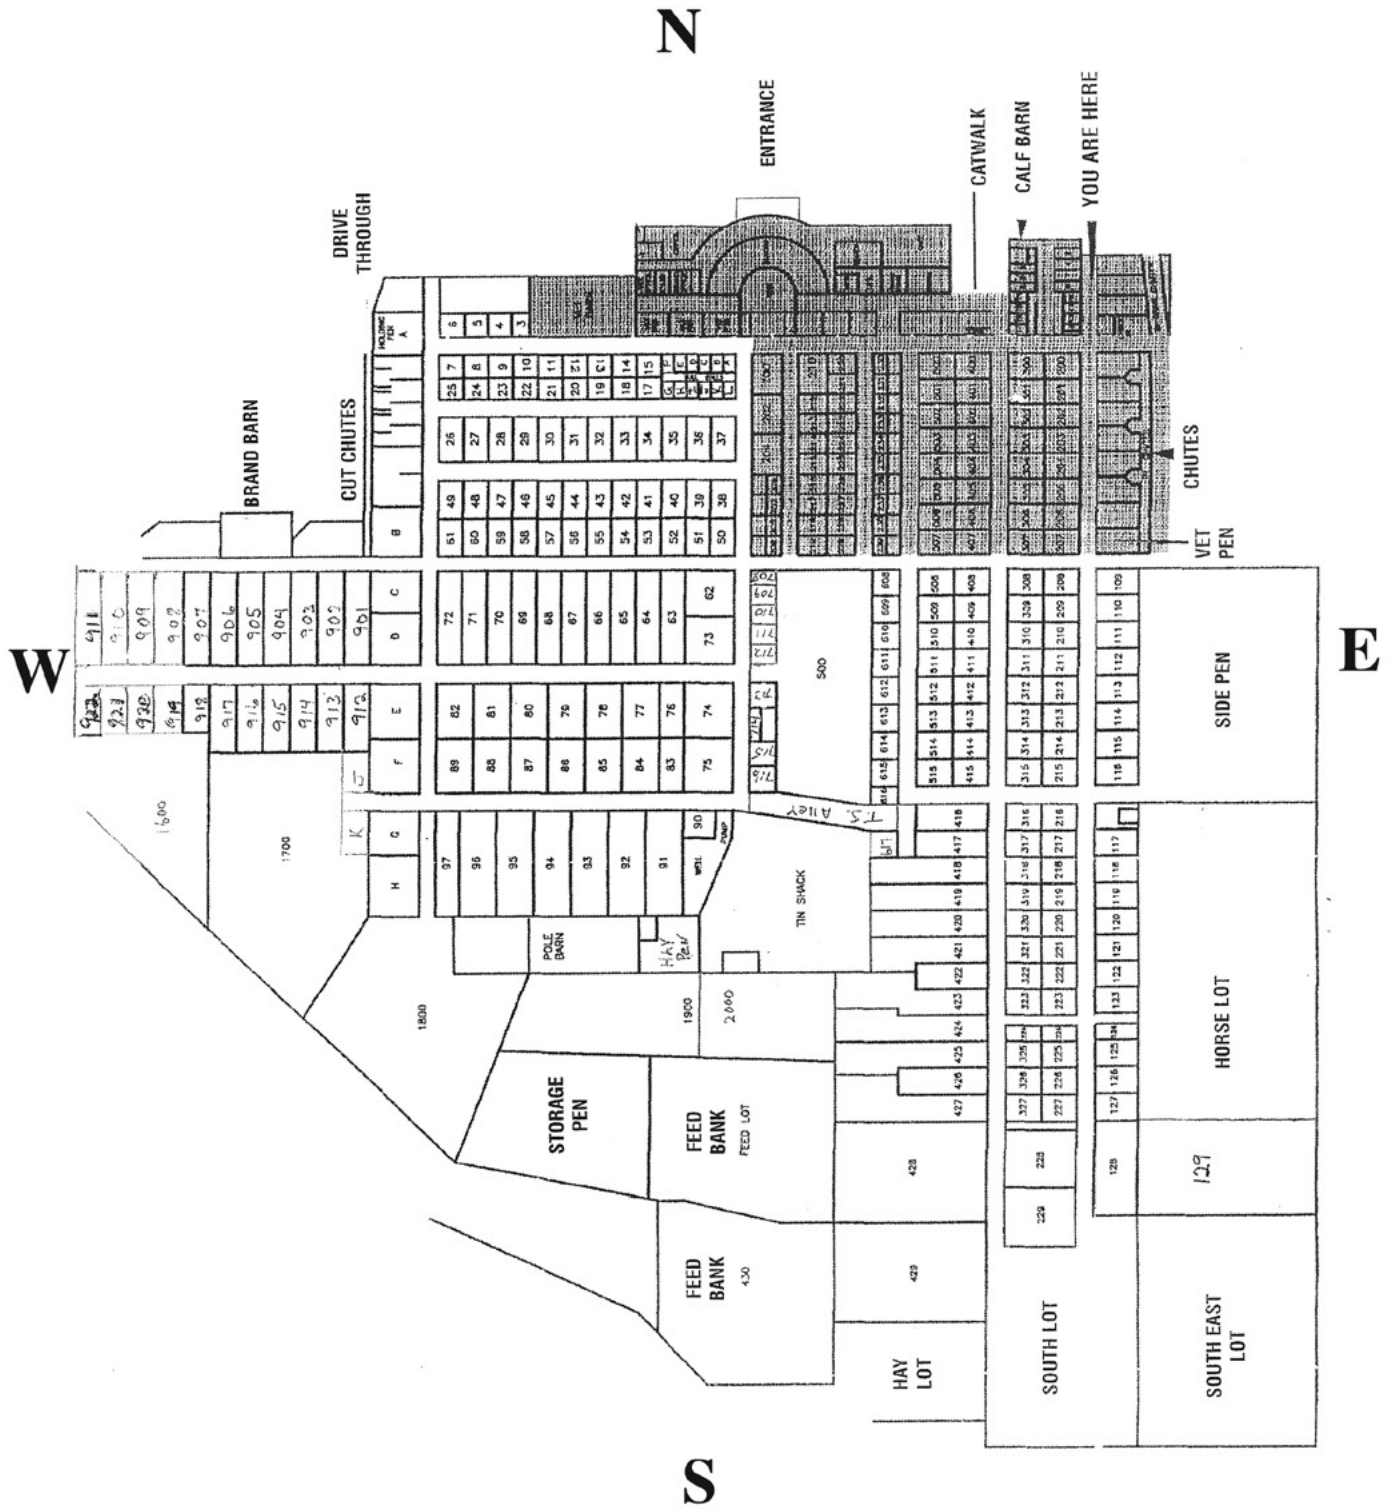

Please don't park your vehicle under someone else's horse trailer, and don't park 3 deep in a row.

If you bring a horse trailer, please park Your Truck under Your Trailer, because when it's time for you to leave and someone else's vehicle is parked under your trailer, we will not be paging anyone to move vehicles. A tow truck will be called to move what has to be moved.

Sorry for any inconvenience, but we don't have the time to deal with any of this while the sale is going on. Hopefully you all will understand this.

Thank You - Kist Management
