Jersey is a 7 year old 5 panel negative daughter of the late Corona Caliente. She stands about 15.1 hands tall, is stout, and was trained by Kevin Vesey Equine. Pitzer Ranch used Corona Caliente to cross ranch/roping mare to add speed and agility to their performance horses. She is a pretty black mare that is built correct with tremendous speed and has a mind and drive to please. She stand for farrier, loads, bathes, has a soft face and moves off pressure. She rides well outside and in the area. She was used for sorting/moving cattle, pony other horses, and trail riding. Jersey is a good keeper with no maintenance and hasn't had her legs run off. My 3 daughters 10 and under ride and show her dam in events such as Western pleasure, halter, speed events, play days. If you are looking for a prospect who has the look, ability and pedigree to do it all. Barrels, roping, and ranching check her out! For pictures and videos go to Facebook page Fischer Land and Livestock or contact Joyce. 701-471-7477 for more information.

Look at this beautiful, calm, gentle, 5-panel negative, 11 year old cremello gelding CK Tuf Guy "Tuff". He stands about 15 hands tall, is stout and was trained and shown by Kevin Vesey Equine. Tuff is amazing and was raised around small children and is very quiet with a calm disposition, is smart, correct, big-boned, and has all the speed and agility needed for any event or task. He loves attention and is use to 3 little girls bathing and grooming and putting flashy bows in his braided mane. Tuff was ridden in multiple disciplines such as ranch riding, barrel racing, working cow horse, trail and halter events. He's quiet and enjoys going for a trail ride, in addition he started training in the fall of 2024 on a roping dummy. Tuff is also a seasoned ranch gelding and has put in long days in the pasture checking cattle, moving and sorting bulls, moving cattle to new pastures, branding calves and he is quiet in the herd. Don't miss out on this opportunity to get a great well-trained, versatile gelding that can work cattle, go into the show pen, or continue with roping. For pictures and videos go to Facebook page Fischer Land and Livestock or contact Joyce 701-471-7477 for more information.
