# **Koeplin's Black Simmentals**

## *Production Sale*

Tuesday, February 3, 2026 at 2 PM CST  
Kist Livestock Auction, Mandan, North Dakota

**62 Elite Black Bulls**

Hello Cattle Friends!

Wow, what a year of moisture. The almost perfect winter and then almost too late, the rains came. The crops grew and the hay flourished. The grass wasn't quite stirrup high, but it was green well into the fall. Who says we need snow to have grass?

It's our pleasure to welcome you to our 38th Annual Production Sale. I've started with Simmentals back in 1980 at the Meyer Ranch. I probably bought the first 3 black open heifers that were ever for sale in North Dakota. A lot of ranchers asked me back then, "What do you want with those black ones?" Now practically the whole world wants them black!

Using an A.I. program ever since and some embryo transplanting is what got Koeplin Simmentals to where we are today. My number one goal to this day is to raise cattle with longevity, along with docility, calving ease, gainability, and also hanging on to some frame. Promises made, promises kept.

This year I've added the Adjusted 205's and Registration Numbers to our catalog. Believe me, I am not a fan of adjusting any weights. In my opinion, a birthweight is a tool; if you adjust them, what the hell are we weighing them for? With 205's they adjust also with the age of the cow, which is all bullshit in my opinion. She does what she does; you don't add or subtract pounds.

For the bulls' health, they had Alpha 7 at birth and Vision 7 at grass time, then Bovishield Gold 1 shot and Ultrabac 7 HS and poured with Eprinex in the fall. When we weighed, they were poured with Cleanup II.

The boys were fed dried distillers, shelled corn, corn silage, and long mixed grass hay with a protein mineral package. All hand fed but the silage and long hay.

Again, we look forward to seeing you folks at the sale and are grateful for your interest and support of our program. We've made a lot of friends over the years and hope to make many, many more.

Thanks,

P.S.: If you would like a short video of a bull, we are willing to do it on a cell phone and send it to you.

## Doing the Corral Swampwalk

Late in the spring when the snow all melts  
 And the manure in the feedlots, too,  
 There's another country challenge  
 A feller has to meet,  
 And it involves keeping his boots upon his feet!  
 First he sets his foot down flat  
 And repeats each step just like that,  
 With the lifting of his heel  
 Followed by pulling the toe up quick  
 To make sure it doesn't stick.  
 He must never stand still, or at least not long,  
 Just stepping and lifting, moving along.  
 Sometimes he waves his arms in the air  
 To keep from falling into the muck.  
 It might look silly, but,  
 It's an essential part of the Corral Swampwalk  
 --Marci

## TERMS AND CONDITIONS

1. Bulls will be sold to the highest bidder.
2. Disputes between bidders will be settled by auctioneer by reopening the bidding among the parties involved. The auctioneer's decision shall be final.
3. Terms of the sale are cash or check at time of sale unless other arrangements are made prior to the sale. Checks must be in U.S. funds.
4. All bulls are guaranteed breeders. Buyer shall let seller know within 8 months of purchase date if bull is unsatisfactory. Bulls will be returned at buyer's expense. Seller has right to semen test bulls found to be unsatisfactory. Seller will replace bull with one of equal value agreed on by both parties or refund buyer purchase price.
5. Seller may retain semen rights on specific lots as published in the catalog and/or announced from the auction block.
6. Each animal becomes the property of and therefore is also the risk of buyer as soon as it is sold except it shall be the responsibility of the seller to see that animals are fed and cared for free of charge to purchaser, until loaded for shipment or for 24 hours after the sale date, whichever occurs first.
7. Announcements from the auction block shall take precedence over material printed in catalog.
8. For those who cannot attend the sale, we will honor a telephone order and guarantee your phone purchase to meet your request when inspected personally by you.
9. Certificates of registry will be supplied by the seller to any buyer requesting them sale day.
10. We will abide by the rules set forth by the American Simmental Association.
11. As we have no control over the acts of God, we cannot guarantee these cattle against death loss, injury, or sickness. We guarantee cattle to be healthy sale day.
12. In case of DNA testing, Koeplin's Black Simmentals are in no way responsible for incorrect test results. Bulls said to be homozygous black are tested by Geneseek, Inc., of Lincoln, Nebraska.
